

all people
~~the nation~~ *and we have*
This is a sad time for every American. ~~The nation~~ *we have* suffers a loss that

and all
cannot be weighed. For me it is a deep personal tragedy. I know

the
~~the nation, and the whole free~~ world, shares ~~the~~ sorrow that Mrs.

and her friends
Kennedy bears.

only for your help and Gods
I will do my best. That is all I can do. I ask God's help -- and yours.
